

To: Pastor Kim Gardner

It was good to speak with you the other evening about the Hebrew roots of Christianity generally, and Seventh-day Adventism in particular. I personally find this to be the most stirring and inspiring study I have ever undertaken, as it has given me a new and much clearer conception of who my Messiah really is, and how I am to follow in His footsteps.

Here are some sources of information and perspective that I have found to be of value:

A group of Messianic Jewish brothers and sisters based in Jerusalem, with a distribution office in Colorado. This ministry publishes excellent study material on the Torah, the Messiah in the Torah, and the prophets. They also hold annual Torah conferences in many parts of the U.S. and internationally — we attended the one they held in Toledo, Ohio last August and were blessed. Ask for a free catalogue and subscription to their excellent magazine (6 issues/year: US and Israel \$27 US/year; all other countries \$38 US/year. A bit expensive, but well worth it! VISA and all other major credit cards accepted). Their statement of purpose: "First Fruits of Zion is dedicated to sending the word forth from Zion (Isaiah 2:2,3). Our Torah based teaching are meant to encourage the body of Messiah to rediscover the wonderful gift of grace that the Torah truly is in the fullness of Yeshua. Doctrine and vision statements available upon request."

Wow, what a treasure chest of truth this ministry is! Manny and Sandra Brotman co-ordinate this very helpful ministry, which they would describe as "Born Again Jews and Gentiles Working Together for Israel's Salvation." Call them for their free catalogue of over 500 Messianic products dealing with Biblical foods and health, Jewish evangelism, Jewish festivals, art, music, dance in worship, Israel and prophecy, etc. I have found their catalogue to be an indispensable guide to research and witnessing materials. As well as being a resource centre, this ministry is very active in campaigning for religious liberty in "the Land," (Eretz Israel), and they will keep you posted on the developments there in their free monthly newsletter.

Directed by Angus and Batya Wootten, this ministry deals not only with the Hebrew roots of the faith of our fathers, but also with the Hebrew roots of our fathers as well! "Levi and His Genes," "The Lost Ten Tribes," the prophesied end-time reunion of Judah and Israel, etc. Call them for a free sample of their newsletter plus price list of their enlightening and inspiring study materials. Of interest to some of you reading this post — Ellen White was of Hebrew extraction, a point brought to my attention by Elder David Bauer (916-544-2612)

William H. Grotheer, who co-ordinates this ministry, was one of the first in Adventist circles to recognise the end of the "times of the Gentiles (nations)." "Jerusalem shall be trodden down of the nations, until the times of the nations shall be fulfilled." Luke 21:24 (from the Greek). Write for his free booklet "Jerusalem in Bible Prophecy" or send \$5.00 US for a copy of the "The Hour and the End - It is Striking At You!", a fully documented in-depth study of Luke 21:24.

"A Cup of Trembling - Jerusalem and Bible Prophecy" - book, by Dave Hunt. This is a solid, up-to-date study of the role of Jerusalem and the Hebrews in end-time prophetic developments. Merwin and Laura Abbot co-ordinate this ministry, which offer regular festival convocations, a free twice-yearly newsletter, publications on the Jewish festivals, and also complete video coverage of

several recent festival convocations. These reasonably-priced video series would give a newcomer to Torah study a good idea of the type of preaching and study that takes place at festival convocations.

"All Eyes On Israel" — book by Roy Allan Anderson and Jay Milton Hoffinan, with forward by H.M.S. Richards Sr. This revolutionary study had to be published by a commercial publishing house as it was far too radical for Adventist publishing establishments. Its incisive commentary on Israel, Jerusalem and the end-time prophesied re-gathering of the Hebrews, constitutes a direct appeal and challenge to laid-back contemporary Adventist and other "replacement" theologians, who insist on denying the spiritual significance of the Holy Land and the "aliyah" or return of the Hebrews that has been taking place for the last 50+ years before our eyes. Please call me if you'd like a copy of this book — to the best of my knowledge, it is presently out of print, and I plan to reprint it myself. If anyone out there in email-land knows of a source for this book, and I would be much obliged if you would drop me a line.

\$30 US/ year; all major credit card accepted. J.R. Church provides extensive coverage of Israel and the Hebrews in prophecy, as well as many other spiritual issues. Also, this ministry supplies many excellent books, study guides and videos -- one video on the Jewish prayer shawl ("The Prophecy of Elijah's Mantle" — \$20 US) is an excellent introduction to this subject for those who have never understood the role of Israel's holy garments in history and prophecy.

Steve Kraner (630-964-5392) produces some excellent study materials on Hebrews economy issues, and has also lectured extensively at feast convocations- videos of many of his presentations are available from Peaceful Meadows Retreat.

Also, I will hold meetings on these issues upon request.

Our Heavenly Father laments "My people are destroyed for lack of knowledge." Hosea 4:6.1 hope this post helps to rectify that problem.

Shalom!
